Dear Mr. Seppanen:

The Dickinson County Board of Commissioners extends its appreciation to FA Industrial for their exemplary work stabilizing the 120 year old courthouse clock tower.

The level of professionalism and conscientiousness exhibited by you and your crew is not often found today. Your outstanding craftsmanship and attention to detail has been noted and complimented by courthouse staff, our elected officials, and visitors to the courthouse.

FA Industrial understood the importance of preserving the historic integrity of our courthouse and made it a priority, ensuring the viability of this extraordinary building for generations to come. Please accept our deepest appreciation to all who worked on this project.
